Subject: SPRU compliance order on consent

Felix and Matt,

Attached is a final copy of the compliance order on consent that we have been negotiating these past several months. This version has a signature block for Tim Lynch, although I understand that Felix will be forwarding me the names of other individuals who will sign on DOE's behalf. Once Felix does that, I will send you a new signature page. In the interim, you can use the attached version to start DOE's concurrence process. The basic procedure is that after DOE signs the order and sends it back to me, Dore LaPosta will sign on behalf of EPA and then I will send you a fully executed copy of the order.

The attached order differs from the version I sent to Felix on December 14, 2011, in three respects:

(b)(5) - Deliberative Process, Attorney Work-Product

I appreciate all of the work both of you did in bringing this order to fruition.

Please call if you have any questions.

- Jacob
